

Manero Tribute to MaBu

An exceptional chronograph with the original hand-winding calibre Valjoux 92 in honour of Max Bucherer (1883-1974), the Bohemian of the family and brother of Carl Friedrich Bucherer.

The Manero "Tribute to MaBu" distinguishes itself through its completely restored original movement, a Valjoux 92 out of the early fifties. With this watch, Carl F. Bucherer has created a timekeeper that will make every collector's heart miss a beat. A limited edition of 100 pieces.

The original vintage Valjoux 92 calibres went through a time-consuming process of reworking. The movement can be seen through the transparent sapphire crystal back cover of an elegant rose gold case. In order to maintain the tradition, the Carl F. Bucherer designers have selected a high double domed sapphire crystal and the five hands rotate over an equally true-to-style, curved and complicated-to-produce dial made of solid sterling silver.

Going your own way - this is part of the philosophy of Carl F. Bucherer since 1919. And it is why we are still an independent family-owned Swiss company today. To ensure that the only watch from the heart of Switzerland will remain unique in the future, too.
